

Product Description

Xcelaero's Galeforce fans are high-performance vane axial fans designed to be robust, light weight, compact and low noise for the aerospace and defense market. The fans in this series can provide between 200 cfm and 20,000 cfm of flow. If an existing fan does not meet your requirements, Xcelaero can design a custom fan for your application.

Specifications

Operating shaft speed	6,000 rpm
Max flow rate	12,350 cfm
Max ΔP	23.5 in. WC
Overall length (A)	15.8 inches
Overall Height (B)	18.7 inches
Overall Width (C)	18.9 inches
